Notice of Resumption of Operation at Nishinohon Delivery Center

KYORIN Holdings, Inc. announced today that KYORIN Pharmaceutical Co., Ltd. (Head office: Chiyoda-ku, Tokyo; President & CEO: Shigeru Ogihara), a subsidiary of KYORIN Holdings, Inc., has decided to establish a new Nishinohon Delivery Center at Kumiyama office of Hitachi Transport System West Japan Co., Ltd. on June 9, 2022 because the existing Nishinohon Delivery Center closed due to the impact of a fire occurred at Maishima office of Hitachi Transport System West Japan Co., Ltd. in November 2021.

KYORIN Pharmaceutical Co., Ltd. is striving to strengthen the supply chain and the stable supply of its products by restructuring logistics system in the two locations of eastern Japan and western Japan, in addition to the continuing use of Higashinohon Delivery Center (c/o Hitachi Transport System, Ltd.: Kazo-shi, Saitama).

The impact on consolidated financial forecast is currently under close scrutiny. Any items requiring disclosure will be announced promptly.
